“ Renee and Denise...Sending our deepest condolences love and thoughts and prayers to you and your beautiful family. Your mom was a wonderful, kind and a beautiful individual who was very proud of her two beautiful accomplished daughters and their family. She was always kind to all of us at Greenwaterpond and I always enjoyed our annual visits at Greenwaterpond and phonecalls. The Henry and Schill Families will always be eternally grateful for the friendship that our mothers shared, their adventures and the kindness that she and your family showed in particular during these past ten years. She was fun, witty and with a wonderful outlook on life and a great sense of humor. With love and Deepest Sympathy...Katie, Fredrick and Melissa Schill.

“ Doris was one of the sweetest ladies that I have known. I first met Doris, when I delivered meals to her at the Meadows. She was also in my water exercise class. She was always a joy to be around. She will be missed, and leaves behind fond memories of life.

“ She will be missed so much as we talked often and spent so much time together as I grew up. All the times at the cottage and in Milford visiting and I still have her table from the cottage that is metal with the dark spot on top. We grew up with that table at the cottage and I have so many recipes in her handwriting she share with me after I got married. She will always have a special place in my heart and will never be forgotten.

So sorry for your loss Denise & Rene. Love Jan (her niece) & Doug Collard

“ Denise and Renee - Your Mom was like a second Mom to me and also my friend. We always had a good time playing cards and games at "the cottage" and her apartment. Lots of laughs too. You all made me feel welcome - thank you for that.

I have memories of your Mom that I will cherish always. She was a special lady. My thoughts and prayers go out to you now and always. I wish you peace and gentle comfort in the days ahead.

“ My deepest sympathy to Rene and Denise and family. I became friends with Doris while working at the school. We shared some great times together also cried together, and laughed and had a wonderful friendship. But distance from each other made it difficult and didn't communicate as much which I regret. But I will always have the memories of a wonderful person she was. Your families will have a Special Guardian Angel watching over all of you.
