“ Simone Family,

Veronica and I were very sorry to hear about the passing of your beloved mother, mother-in-law, grandmother, great-grandmother, sister, aunt and cousin, Lucy.

We have added you and your family to our daily prayer list. And, when we attend mass on Sunday, we will add you and your family to our parish book of prayers.

Having experienced the passing of my mom, I can appreciate and empathize with your sense of loss and pain. It's very hard to say good-bye to our moms regardless of age/health as they are so very special having brought us into the world and having nurtured us throughout our lives with a special love that only a mother can provide.

May our Good Lord watch over, bless, protect, comfort and console you and your family as you endure this difficult, trying and sad time in your lives.

Our heartfelt sympathy goes out to you and your family in your time of loss and sorrow.

“ Dear Aunt Lucy, what great and fond memories I have of growing up with you as part of my life. As my Confirmation Godmother, I took your name as my middle name. I recently re-read some of the loveliest letters you sent me while I was in college many years ago. You sure could pen a great letter! They make me smile still today. You are now with Uncle Angelo and finally at peace. Your memory will always be with me.
Love, Rachel
