“ Billy was my stepdad. I loved him very very much! I was his favorite! His Lil pepper boy as he would call me. He was the best drummer I have ever heard. Still to this day! I will cherish the year I went to live with Billy and his mom while in high school. He was the best stepdad in the world to me and always will be. I remember I just got my license in Palm Bay Florida at 16. He had a brand spanking new Ford f150. He would still let me drive it and take it out! He was so cool bill I tell ya! He treated me like I was his own son and for that I say thank you Billy. May you rest in Heavenly peace! I will never forget you and I will always love you! Rock on up there! 420 7
